- Teacher education and professional development
- Research and evaluation in language education

Field(s) of study: Applied Linguistics and ELT | **Final grade:** 3.18 | **Number of credits:** 30

Bachelor of Arts | Jahangirnagar University | 02/09/2013 | Dhaka, Bangladesh
Field(s) of study: Arts and humanities | **Final grade:** 3.14 | **Number of credits:** 124

Research Interest

Algorithmic Recommendation Systems, Digital Consumer Behavior, Habit Formation & Repetition, Consumer Well-being, Circular Economy Marketing, Sustainable Consumption, Digital Literacy & Resilience, Misinformation Susceptibility, Hidden Markov Modeling (HMM), Mimetic Desire, Behavioral Choice Architecture, Social Marketing Ethics, Waste Valorization Strategy, Variety Seeking Dynamics, Latent Behavioral States

Research experience

- *From Variety Seeking to Repetition: Behavioral Dynamics in Online Grocery Shopping*
  Manuscript in preparation (2026)
- *Echoes of Reality: How Social Media Shapes Perceptions of Truth and Well-Being Across Generations*
  Manuscript in preparation (2026)

Work experience

Graduate Teaching Assistant (Instructor-Level Responsibilities) | University of Wisconsin–Milwaukee, Lubar College of Business | 01/09/2025 - 16/12/2025 | Milwaukee, United States

- Provided instructional support and independently delivered teaching across undergraduate courses, including Introduction to Business, Marketing Management, and Buyer Behavior.
- Independently conducted full class sessions in the absence of the course instructor
- Delivered lectures on core topics in business fundamentals, marketing strategy, and consumer behavior
- Designed assignments, case exercises, and assessment materials aligned with course objectives
- Facilitated discussions and applied learning activities for classes of 150+ students per semester
- Provided academic guidance through office hours and individualized feedback
- Evaluated assignments, projects, and examinations in coordination with faculty
- Monitored student progress using learning management system analytics
- Contributed to curriculum delivery and instructional planning
- Implemented structured feedback processes that improved grading efficiency

Coordination Affairs Officer (Academic Affairs) | North South University | 09/09/2021 - 02/01/2023 | Dhaka, Bangladesh

- Coordinated academic and administrative operations across multiple university units
- Managed over 500 confidential academic records in compliance with institutional policies
- Prepared official reports, documentation, and briefing materials for senior administrators
- Supported institutional planning and decision-making processes through data organization and analysis
- Facilitated communication between faculty, administrative departments, and external stakeholders
- Contributed to process improvement initiatives aimed at increasing operational efficiency
- Assisted in the implementation of academic policies and institutional procedures
- Ensured accuracy, confidentiality, and integrity of sensitive academic information

Ad-hoc Qualitative Research Assistant | Nielsen Bangladesh Limited | 14/03/2017 - 18/12/2019 | Dhaka, Bangladesh

- Conducted 147 focus groups and 50+ in-depth interviews across telecom and FMCG sectors
- Assisted in moderating qualitative sessions and managing participant coordination
- Designed and implemented discussion guides and research protocols
- Documented sessions and maintained detailed qualitative records
- Performed thematic coding and qualitative analysis to identify consumer insights
- Synthesized findings into structured reports and presentations
- Contributed to client-facing deliverables and evidence-based recommendations
- Supported research projects for multinational clients
- Maintained strict confidentiality and research compliance standards

Marketing assistant | Easy Breezy Bash Co. | 01/09/2025 - 16/12/2025 | Milwaukee, United States

- Conducted market and competitor analysis to support pricing and service strategy
- Analyzed budget and expense data to inform financial planning and cost control
- Evaluated operational workflows and standard operating procedures to improve efficiency
- Supported data-driven decision-making through analytical reporting
- Assisted in planning and coordination of projects and events from a financial perspective

- Monitored expenditures and resource allocation to ensure alignment with budgets • Collaborated with cross-functional teams on marketing and operational initiatives

Language Skills

Mother tongue(s): **Bengali**

	Understanding		Speaking		Writing
	Listening	Reading	Spoken production	Spoken interaction	
English	C2	C2	C1	C1	C1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
